PATRÍCIA RAPAZOTE

Consultant | Portugal

00351 933 213 321

patricia.rapazote@dynargie.com

In her previous professional experience, Patrícia was a pharmacist for 11 years. She worked in small and medium-sized companies and had the opportunity to cooperate in several areas such as customer service, sales, purchase and management.

Patrícia is a Consultant at Dynargie Portugal in charge for delivery, sales and project management. Regarding training, her focus is Management and Customer Service. She has been working with major Portuguese and multinational companies in several industries such as IT, Pharmaceutical, Retail, Hospitality, Healthcare, FMCG and Automotive.

People-oriented person, extroverted, team worker and new business development driven. Empathy, easiness to adapt to different people / scenarios and fast learner are highlighted skills, but Patrícia also sees herself as naturally optimistic, with high self-motivation capacity. In terms of project management, good planning and organization are the main strengths.

Degree in Biochemistry, University of Porto

Degree in Pharmaceuticals Sciences, Instituto Universitário de Ciências da Saúde - Porto
Post-Graduate in Advanced Management Programme for Pharmacists, Católica Lisbon
School of Business & Economics
